Leon Dozier II Scholarship Fund

Leon Dozier II was a young man who demonstrated in his short life span an ability to be involved in both church and community. In his memory, People's Community Church wishes to honor its high school graduates by awarding a scholarship of **\$150.00** to each current year high school graduate going on to higher education within the next school year. A check will be issued in the student's name to purchase bookstore materials.

***STUDENTS* must complete this application.**

IN ADDITION, People's Community Church encourages students, who aspire to a post-high school education, to apply for a **NEED-BASED** scholarship. These funds will be available to those just entering an institution of higher education and to those currently enrolled in an institution. The amount to be awarded will be contingent upon the available funds, academic standing, and **NEED**. A check will be issued in the student's name to purchase bookstore materials.

ELIGIBILITY REQUIREMENTS FOR THE **NEED-BASED** FUND:

- A completed application **received** by the **deadline date**.
- Grade point average of **2.5 or better**. (Please provide a copy of your most recent grade **transcript**.)
- A **member** of People's Community Church or **nominated by a member** of the church.
- Must show **evidence of acceptance** to an institution of higher education (college, vocational, etc.)
- Must show evidence of church attendance, participation, and community involvement.
